hi guys, is it possible for me to create an online account for battlefield 2 without actually owning the game?? the reason is that dere is this place (the portal) where u can go and play games online. there are some pretty sweet games, css, bf2, rome tw, unreal tournament etc. good thing is they dont work on my pc, but i can still play em. bad thing is its £3 an hour. anyway it was taking ages to make the account so i quit,didnt want to waste my time that i had left. so is it possible?
