Subject: Renguard problem
Posted by Zenithar on Tue, 28 Feb 2006 22:05:46 GMT

Ok i desperatly need help. iv tryed to install renguard but it doesnt run it always says when i try and run it "Loader couldnt initialize service" I desperatly need help. I have followed the guide and done so many different things to try and fix it plz help.

_____NEVERMIND

i have resolved my problems with the help of the irc room.
