Me and my brother were playing on the map canyon. We were defending for stealth black hands i had a med tank my bro a APC so we were shooting around(we had no barracks and no war factory, stupid team )

For some sort of reason a guy named hammerh0 banned us???????

We dont know the exact reason for this ban and we cant contact him.....

Can you guys help us?

Just another ban-case on the server. It has been discussed and explained. Nothing funny to it.

This is not for these forums, so bringing it up here is pathetic, I will not post about it here...your banned, get over it.

Good day.

Why is it pathetic? Can't I discuss this with other people? I see they don't care that much but I don't mind that.....  
But banning someone for no reason? Exactly me and my brother are banned without knowing the reason!

That is pathetic hammer.

why lock this it's just another topic, and a forum is ment to discuss certain subjects and i think i am not hurting anybody by discussing it here.

you can't lock this topic hammer and i can't see why anybody should...

FFS If you would just read the forum on jelly-server so you can see we have explained you 5 times, you can stop bringing it up here.
