OSTK (One Shot Two Kills) is recruiting, we have been running for about a year but the last months members have left or no longer play renegade, we are looking for new members, of all shapes and sizes, were mainly looking for people who play ren often more than 8-10 hours a week or more. We are not looking for great players just any one who is willing to be training up to our level.

Needs:

play a minimum of 8 hours a week on renegade

must post at least an average of 7 posts on the forums a week

must have a sense of wanting to be good at what they do

must be dedicated to the clan body as a whole

must be willing to train hard to get to their level required.

willing to play around the GMT and GMT+1-4 time periods

OSTK runs its own dedicated server (not 24/7) we also have a forum and website, irc channel and lookign for TS hosting.

but if you sign up you will be. plus, a clan is pointless without other clans to play against, and the clanwars.cc is full of active clans
