I have converted the HAVOC.exe to DivX avi for your fullscreen viewing pleasure!

<http://www.the-ownage.com/downloads/HAVOC.avi>

I don't think so, it's a peice of abstract work a friend of mine called l4thal made. He didn't tell me how he did it, but my presumption was that he made it from scratch.

well it has the impression from Metriod(great game btw). So this is abstract art. I like that one, what theme is it?
