Hi, Can anyone help me please

this happens when I open renegade, I reinstalled RG serveral times, but I dont see whats wrong,

Can u help me and send it to Pay_back_3@hotmail.com please, I dont know my way on the forum, Regards, DarkCyril

This error message means that game.exe (353KB) and game2.exe (4.20MB) are the same file. This may happen if you try to install with the installer and the safe installer. You may need to reinstall Renegade to replace the now-missing game.exe.
