I was thinking.....

Maybe the admins and/or mods could make a Bar topic, if there isnt already one here? You know, pretend your actually your own character *Like I'm an Ex.GDI General, etc.), walk in, grab a few drinks, and talk about the important things in life.....*cough*

Kinda like a Roleplaying experience ya know?

Though this IS mainly a support forum, thought it'd make it more interesting. I'll volunteer to be the bartender as well!

Anyone think this is a good idea?

I think I can predict where it will end up, and it's not pretty.

You forget the classic "last person to post wins" bullshit.

I've been exposed to the internet for too long. Perverted ideas just seem to flood my mind. I can also thank everybody who decided that it'd be nice to just spam sexual acts like the angry pirate, dirty sanchez, the san francisco nightmare, and the soggy biscuit.

If you really want a "roleplaying experience", go join a realism unit.
