[View Forum Message](#) <> [Reply to Message](#)

So what was I supposed to use? Create my own "you suck" picture? At least I did not create useless tread with all caps just like this guy.

Those pictures on Ebaumsworld are there to be used in case someone makes tread like this.

Edit: I changed some of the words in this post

No, he's not joking.

thrash300:

Can we shut this thread down, please?
