at clanwars.cc we're still averaging over 200+ games a month, and thats a slow month.

leboeuf03, good to hear a new clan is joining the league. My clan H2O plays a lot on that ladder, if you ever want a game just msn me at internalnet@hotmail.com

Alright cool, Yeah. I've been playing renegade for a couple of yrs, but quite due to Americas Army. And now, getting back into Renegade.

I'm also creating a map and mods sections as well as scripts..

Once the host changes the D. name. I will post more better updated stuff about us.

And I will take the offer on the msn thing. But it may be a month or so.

Thanks again, guys!
