Hey guys

I'm still looking for a Brenbot including Renguard but without CP. Is there a possibility to disable CP in brenbot 1.41 ?

Thanks,

ben

Well you don't need cp for brenbot or renguard. It just happens BRenBot 1.41 is included with the SSAOW core patch. Download just BrenBot 1.41 here. Oh yeah by the way without cp you can't turn gamelog on and so !donate, !forcetc, !buildings, !vehicles or !statsme will not work. Also there will be no autorecs for repairing buildings or killing buildings and vehicles.
