hi all. first post here.

in singleplayer iim up to oblisk of oppression. i get to the end, with all prim. and sec. objectives complete, destroy the oblisk and the two missiles, then the little screen comes up saying how many stars ive gotten etc, and then...

...

...

...

it goes back to the main menu...

...

...

...

Why?

...

...

...

is this the end?

please tell me whats wrong, i want to finish the game.

thanks alot.

Pat

Are you loading the level from the Load screen or are you continuing it from a saved game slot?
