A few questions,

using only server-side changes is it possible to add c4 to characters, so like characters that don't get c4 on purchase, do. and can tanks be modded so that the flamer fires chem and the recon fires faster.

only erverside though!

thanks buffymaniack

u can go to objects-> vehicles, look up the flamer, and change its primary weapon... same with units, objects-> soldier , find the unit, and poke it with a c4 ::O
