It seems to be a running theme but it has to be FPS Doug saying "BOOM" headshot!.

A FPS Doug, or even a Dave skin would be pretty damn funny - I think if someone made that and showed jeremy that he would lol - might even get renegade into one of their episodes. lol - or maybe not.

"\*Whistle\*" that sound they made when someone dies in Sweeney Todd on broadway.

"Hells Yeah" from the stupid psp commercial.
