Caught this guy Commins using right click damage hacks, he got banned from BBF servers then moved around to a few other, decided to follow him and warn ppl, after being banned from 3 servers he went offline.

<CrazyAOW> 10GDI Medium Tank destroyed thanks to commins (Nod Engineer).
<CrazyAOW> 10GDI APC destroyed thanks to commins (Nod Engineer).
<CrazyAOW> 04 BBFPirate : yea we got him
<CrazyAOW> 04 BBFPirate : definate hax

^^ I was in game and watched the vehicles explode instantly

-CrazyAOW- [13-05-2006 05:39:43pm]   commins @66.168.143.8 -> By: [BBF]nastorm@IRC -> hax

details if anyone is interested and wishes to ban him.
