Filefront was being a stupid whore and not letting me download it. Could you possibly up-load it somewhere else?

BTW, 58mb?

I can't wait to test it out, it sounds fun. If I'm not mistaken, couldn't you adjust the stairs to be smaller than the soldier step height?; or adjust the soldier step height in your mod so they walk up it?

ill make the map better for u guys with more stuff like about the map is alot smaller than i had thought it would be LOL, but for the Official mod the maps will be like 3 or 4 times bigger than thoes ATLEAST, with WAY more Detail, the test map doesnt feel like a Huge City, feels like a small town but yet still feels like its really happening.....

Just lettin u guys no im makin the Website for my Mod Tonight ok guys will u guys sign up for the forum ?

<http://terminatorsky.forumwise.com/> thats the forum, ill be making the site tonight ok guys , hit me back up guys... byesssss
