Moe and Sensitive are the only ones who have said "wisecrackers".

He's already made one account that was banned, and now he makes two? Crimson, PLEASE drop the Hammer on these tardwarriors. They do nothing but make useless topics and constantly spam in order to get their post count up.

All who favor this, reply Aye.

All who oppose, go die in a fire.

EDIT Typos fixed

Aye. Why? Because he has ban evaded. He shouldn't be banned for general stupidity, but for his evasion. If you don't view that as a valid reason, die.

Four years of experience say otherwise, kiddo. These forums have seen their share of retards, and you are just another passing moron. If you think anybody actually cares about what you, in your illiterate shit-talking, have to say, then you are sadly mistaken.

<sarcasm>

And of course, I hate Command & Conquer because I choose to argue against you. And since I hate C&C, I obviously hate everybody in these forums. Wow! You have discovered my true meaning for being in these forums. You, in your finite wisdom, found out that my real reason for coming to these forums is to spread dissent among the forum members, eventually getting to hate each other and getting to hate Command and Conquer while they are at it. I BOW TO YOUR SHERLOCK HOLMES SKIZZLES. CONAN DOYLE WOULD BE PROUD.

</sarcasm>

You fail at English, you fail at society, and you fail at life, sir. I recommend ending it, for the future of humanity.

EDIT You see this? This is me correcting typos after I type. This is something I recommend you do in other forums, because you sure as hell won't be visiting this one anymore.

why exactly is this still being discussed? is Crimson just playing a big joke on us all? or has she just not been on here since this dicko popped up?

How about we all donate and hire a hitman to track him down and shoot him in the face, that should sort the problem once and for all.
