I remember hearing about this game a while back, thought it looked pretty cool. The demo came out recently, and yeah, it's awesome.

Yeah I just got done with the demo myself, it's really awesome. Definitely going to buy it. If the rest of the game is as good as the demo I give this a 9.6. Give it a try...

Looks cool, downloading now.

EDIT: Oh, is there a way to turn the gore off. Im not too keen on it.
