I'm no admin, but you may want to add a "rules" thread. ...especially if you're looking for recruits from this forum.

Why start a forum for a community that already has a forum?

No.

[Edit:]

This caught my eye:

"We have 4 registered users  
Our newest member was Ripred999  
We have had 25 visitors since June 29th, 2006  
Most users ever online was June 30th, 2006 with 2 online  
A total of 1 posts have been made "

Great. You're asking me to leave a well-built, well-structured forum with respect and a large community for a forum with 4 members and 1 post. Bad idea, dicko.

I have a few reasons as to why nobody should visit that site:

1. InvisionFree
  2. "Signature" forum
  3. The "signatures" created are shit
  4. InvisionFree

But it should die... I'm tired of seeing these stupid graphics communities popping up. Especially the "request signature" ones. They are a plague to talented graphic designers and communities.

You haven't seen any of my work, kid. If you had, you'd be singing a different tune. I'm not a newb in the graphics world.
