i dont know if i was bannend or is this just a problem with the connection. but im trying to start the renegade game and my renguard is disconnecting.

if i was bannend then wat was the reason since i dont cheat or doing any rasicm.

thank you in in advance.

EDIT by nightma12: i edited the topic title.... so people dont get confused now thats its in the clients forum ^^

your not banned, your having a connection problem

if your banned from RG, it will tell you
