i been talking to people and am having a hard time, so to cut out the middle man, if you have experiance working with objects.ddb please, please, please give me a hello or something so i can talk to you about the troubles

AIM:Apathicboy

Yahoo:Malavik2002

MSN:Malavik2002@yahoo.com

it will save my posting on this forum and i will get someone who has experiance to help me out, thanks in advance
