Unfourtunately i have been banned from un-rules new maps.
this is posted as an apologie.
but i still wish to know the reasons that i was banned
NOTE:this is not an agresive post.

i only wish to use the server again.
this was what was sent to me:

ADMIN MESSAGE FROM HOST
You have been BANNED on 08.11.2006 by Javelinax@IRC for: you are
on BOS until you apologise on forums

what is BOS anyway?

This doesn't have anything to do with the RenGuard client, and actually shouldn't have been posted here. You should take it to the UN Rules forums like the admin said, not here, so I'm locking this.

You can reach their website here: <http://www.unrules.com/>

This has nothing to do with RenGuard, moving to General forum.
