I found Renegade map packs here for servers that I didn't even know existed!

<http://www.cnet.com.au/downloads/search.htm?c=&q=renegade+map+pack&p=1&o=>

Download froze at 58%... Did a google and found one on a US Download server...

<http://commandandconquer.filefront.com/file/UberMapPack;56234#Download>

It also has links for Belgium and Austraila

It's going much faster.
