A little while ago we had a little bit of problems at BBF and we had some people leave. Since then we have got the problem fix and we are recruiting and rebuilding again. IF you are a respectable and fair playing person then we wont you in BBF. You do not have to be the best (that is what Practices are for ) we wont good people. If you are looking for a great clan to be in then you have found it with BBF. We are looking for new members and if you are looking to apply the go to <http://www.clanbbf.com/recruiting.php> and dill out the forums if for some reason if does not work then post here <http://www.clanbbf.com/viewforum.php?f=12> and tell us about your self. IF you are not sure and just want to look around then please go to <http://www.clanbbf.com> and see what you think. Just to let you know we do have an age requirement that you have to be at least 15 to join. So again we are looking for you.

Thank

Good old BBF  
Sadly I hate the admins as the whole structure sucked.

Well like Dave said we did have some things to work on with the admin but they have all been taken care of now. Dave is an x-member of BBF and a guy who know a lot, but we are back and running and problems taken care of. BBF is the best clan to be in and we would be happy to have you, so come and join us at [www.clanbbf.com](http://www.clanbbf.com) or <http://www.clanbbf.com/recruiting.php> Thanks to all that read this and again we would be happy to have you join us.

Thank,

Indeed, I would add that BBF was the best clan I joined. Except some of the high-ranked people in the C&C Renegade section disliked me & everything I would do (Hosting the server)... Thus

causing me to quit.
