OK

I am on my server i buy a Stealth Black Hand then after that i think nah il buy a obelisk gunner.

The stealth for some reason starts on my obelisk gunner ?

-like a disease from the sbh-

but if i buy the obi gunner whilst having anyother character im not stealth,only happens when i have sbh before buying it also happens on any other characters

any ideas?

Slags?

I think you're referring to Hotwire and the Nod Technician. Hotwire is female, the Nod Technician is male therefore your statment is false as well as making no sence. Good job.
