Funny quote from the movie: "It seems they looove you so much, they are not gonna let you go"

Anyway, that game looks good, but I don't think if they will make it for PC.

P.S: I thought President of USA sounded differently.

I forgot to put this in my first post:

I got the link from [www.vgcats.com](http://www.vgcats.com), who had it in a news post stating:

Quote: Sunday, September 3, 2006 11:31 PM - For liberty and Tea

Shame this game only available for the Xbox through import. For humor value alone it looks AWESOME. Welcome to the party... MR. PRESIDENT!
