Tyty.

I will download this when I get home in around 2 and a half hours....

BR.Net 1.5 Binaries

Br.Net 1.5 Source Code

How to setup BR.Net

Commands.xml Variables

Change Colors and !website command

Hope some of that helps.

Funny, how people still want to use this. This was the very first bot I used and I think the easy command creation in the XML was brilliant, allthough you couldn't make complex commands.
