Renegadecommunity.com has had some questions from Renegade clans to be mentioned on our Fan Sites - section.

This made me think about the best way to represent Renegade clans on the site and it stroke me that this actually already exists.

Therefor I have linked to the RenegadeWiki where there is already an extended list of Renegade clans and the possibility to add your own clan yourself.

So please don't send mails for me to add your clan to our fan sites - section but add the link yourself at the Renegade Wiki!

lol, someone kept deleting Taiwan too and gave the reason "Not really a clan"... I guess that explains our 700-ish clan matches in 4 months
