Would anyone know a place where I could get some sounds for renegade? I currently added sounds like...

Quote:hicky; skill; tt; hehe; tuff; yes_sir; yeah; fall; got_it; grunt; good; dead; oops; creature; lol; roar; target; incinerate; fire; smell; ^^; toast; pain; present; burn; stupid

I know there in the "always" files. Also, Doesnt anyone know the file name of the siren?
