Hi,

I have a running server. In normal standard mode. When i copy the ctf mod/patch in the map, i see on outputscreen that the server runs but when i am ingame i don't see it. What I am doing wrong??

Please help

Greetings Rene

Hey Rene,  
nice to see you here

Reinstall RenegadeFDS and then fast the SSCTF things in the right folders.

dont intall SS-CP! that overwrite the scripts

Greeting SODPaddy

Hi Paddy

Quote:Reinstall RenegadeFDS and then fast the SSCTF things in the right folders.

At home its not a problem paddy its works fine here. But I trying a real gameserver. With a 1Gbit connection. There it wil not work:(

Quote:dont intall SS-CP! that overwrite the scripts

I reinstalled FDS already. Then sscp2 and after that i did CTF. Local its workking but not from Gameserver.

Install RenegadeFDS -> paste the CTF scripts in the right folders -> Dont install ss-cp i think that overwrite the scripts dll.
