There is a worldwide conspiracy being orchestrated by an extremely powerful and influential group of genetically-related individuals (at least at the highest echelons) which include many of the world's wealthiest people, top political leaders, and corporate elite, as well as members of the so-called Black Nobility of Europe (dominated by the British Crown) whose goal is to create a One World (fascist) Government, stripped of nationalistic and regional boundaries, that is obedient to their agenda. Their intention is to effect complete and total control over every human being on the planet and to dramatically reduce the world's population by 5.5 Billion people. While the name New World Order is a term frequently used today when referring to this group, it's more useful to identify the principal organizations, institutions, and individuals who make up this vast interlocking spiderweb of elite conspirators.

DIPICTS A LOT: <http://video.google.com/videoplay?docid=3891535120990840079&q=WHO+CONTROLS+THE+WORLD%3F>

The Illuminati is the oldest term commonly used to refer to the 13 bloodline families (and their offshoots) that make up a major portion of this controlling elite. Most members of the Illuminati are also members in the highest ranks of numerous secretive and occult societies which in many cases extend straight back into the ancient world. The upper levels of the tightly compartmentalized (need-to-know-basis) Illuminati structural pyramid include planning committees and organizations that the public has little or no knowledge of. The upper levels of the Illuminati pyramid include secretive committees with names such as: the Council of 3, the Council of 5, the Council of 7, the Council of 9, the Council of 13, the Council of 33, the Grand Druid Council, the Committee of 300 (also called the "Olympians") and the Committee of 500 among others.

In 1992, Dr John Coleman published *Conspirators' Hierarchy: The Story of the Committee of 300*. With laudable scholarship and meticulous research, Dr Coleman identifies the players and carefully details the Illuminati agenda of worldwide domination and control. On page 161 of the *Conspirators Hierarchy*, Dr Coleman accurately summarizes the intent and purpose of the Committee of 300 as follows:

"A One World Government and one-unit monetary system, under permanent non-elected hereditary oligarchs who self-select from among their numbers in the form of a feudal system as it was in the Middle Ages. In this One World entity, population will be limited by restrictions on the number of children per family, diseases, wars, famines, until 1 billion people who are useful to the ruling class, in areas which will be strictly and clearly defined, remain as the total world population.

There will be no middle class, only rulers and the servants. All laws will be uniform under a legal system of world courts practicing the same unified code of laws, backed up by a One World Government police force and a One World unified military to enforce laws in all former countries where no national boundaries shall exist. The system will be on the basis of a welfare state; those who are obedient and subservient to the One World Government will be rewarded with the means to live; those who are rebellious will simple be starved to death or be declared outlaws, thus a

target for anyone who wishes to kill them. Privately owned firearms or weapons of any kind will be prohibited."

The sheer magnitude and complex web of deceit surrounding the individuals and organizations involved in this conspiracy is mind boggling, even for the most astute among us. Most people react with disbelief and skepticism towards the topic, unaware that they have been conditioned (brainwashed) to react with skepticism by institutional and media influences that were created by the Mother of All mind control organizations: The Tavistock Institute of Human Relations in London. Author and de-programmer Fritz Springmeier (The Top 13 Illuminati Bloodlines) says that most people have built in "slides" that short circuit the mind's critical examination process when it comes to certain sensitive topics. "Slides", Springmeier reports, is a CIA term for a conditioned type of response which dead ends a person's thinking and terminates debate or examination of the topic at hand. For example, the mention of the word "conspiracy" often solicits a slide response with many people. (Springmeier has co-authored three books on trauma-based programming which detail how the Illuminati employs highly tuned and extremely sophisticated Mind Control (MC) training programs that begin the programming process while the intended victim is still within the womb. Mind Control is a much greater problem than most people realize. According to Cisco Wheeler, a former Illuminati mind control programmer, there are 10 million people who have been programmed as mind controlled slaves using trauma-based MC programs with names like Monarch and MK Ultra. The newer, non-trauma, electronic means of MC programming that grew out of the Montauk Project, may include millions more. Al Bielek, who played a principle role in the development of the Montauk Project, said that there likely 10 million victims of Montauk style mind control programming worldwide, the majority located in the USA. He also said that there are covert Montauk Programming 'Centers' in every major city in the U.S.)

What most Americans believe to be "Public Opinion" is in reality carefully crafted and scripted propaganda designed to elicit a desired behavioral response from the public. Public opinion polls are really taken with the intent of gauging the public's acceptance of the Illuminati's planned programs. A strong showing in the polls tells the Illuminati that the programing is "taking", while a poor showing tells the NWO manipulators that they have to recast or "tweak" the programming until the desired response is achieved. While the thrust and content of the propaganda is decided at Tavistock, implementation of the propaganda is executed in the United States by well over 200 'think tanks' such as the Rand Corporation and the Brookings Institute which are overseen and directed by the top NWO mind control organization in the United States, the Stanford Research Institute (SRI) in Menlo Park, California.

The NWO global conspirators manifest their agenda through the skillful manipulation of human emotions, especially fear. In the past centuries, they have repeatedly utilized a contrivance that NWO researcher and author David Icke has characterized in his latest book, The Biggest Secret, as Problem, Reaction, and Solution.

The technique is as follows: Illuminati strategists create the Problem- by funding , assembling, and training an "opposition" group to stimulate turmoil in an established political power (sovereign country, region, continent, etc.) that they wish to impinge upon and thus create opposing factions in a conflict that the Illuminati themselves maneuvered into existence. In recent decades, so called "opposition" groups are usually identified in the media as 'freedom fighters' or 'liberators' (recently the KLA-Kosovo Liberation Army).

At the same time, the leader of the established political power where the conflict is being orchestrated is demonized and, on cue, referred to as 'another Hitler' (take your pick: Saddam Hussein, Milosevic, Kadaffi, etc.). The 'freedom fighters' are not infrequently assembled from a local criminal element (i.e. KLA, drug traffickers). In the spirit of true Machiavellian deceit, the same NWO strategists are equally involved in covertly arming and advising the leader of the established power as well (the Illuminati always profits from any armed conflict by loaning money, arming, and supplying all parties involved in a war).

The conflict is drawn to the world stage by the controlled media outlets with a barrage of photos and video tape reports of horrific and bloody atrocities suffered by innocent civilians. The cry goes up "Something has to be done!" And That is the desired Reaction (note: the same technique is presently being used to bring about gun control in the United States).

The NWO puppets then provide the Solution by sending in UN 'Peace Keepers' (Bosnia) or a UN 'Coalition Force' (Gulf War) or NATO Bombers and then ground troops (Kosovo). Once installed, the 'peace keepers' never leave (Bosnia, Kosovo). The idea is to have NWO controlled ground troops in all major countries or strategic areas where significant resistance to the New World Order takeover is likely to be encountered.

East Timor, Indonesia. (9/14/99) Virtually, the same strategy used to occupy Kosovo with UN/NATO troops was applied by the NWO manipulators to take military control of East Timor. Once again, the same morality play is trotted out for public consumption: the local evil and demonic Indonesian Army trained militias responsible for the slaughter of innocent civilians following the August 30 vote for Independence (from Indonesian control), must be stopped at all costs. This time, Australia (to keep up the appearance of an 'international' humanitarian effort) will lead the charge with 'peacekeeping' troops. Of course, it didn't take long for Madeline Albright to announce that US 'support assets' will be part of the "UN Peacekeeping Team". In a front page story in the LA Times (9/13/99), Mike Jendrzejczyk of Human Rights Watch (an Illuminati front group) in Washington DC said that it's "crucial" that "peacekeepers have the authority to disarm militia forces and any Indonesian soldiers actively working with them".]

The local, sovereign military force is either defeated (i.e. Yugoslavia) or, as in the case of the United States itself, replaced by foreign UN "Partnership For Peace" (PFP) troops who take over the jobs of US soldiers who have been sent overseas on 'peacekeeping' missions. In addition to being killed in ground conflicts on foreign soil, US military forces will likely be reduced in the next few years through disease induced attrition (i.e. from mandatory Anthrax Vaccinations required of all US military personnel). These vaccinations will, in all probability, eventually produce the symptoms of the so-called Gulf War Illness, which was acquired by a certain percentage of Gulf War soldiers who were given a "special" anthrax vaccine (intended by the Illuminati/CIA as a test run to ascertain how quickly (and fatally) the disease would progress with a substantial population of healthy young men and women).

The corporate portion of the NWO pyramid seems to be dominated by international bankers and the big pharmaceutical cartels, as well as other major multinational corporations. The Royal Family of England, namely Queen Elizabeth II and the House of Windsor, (who are, in fact, descendants of the German arm of European Royalty -the Saxe-Coburg-Gotha family-changed the name to Windsor in 1914), are high level players in the oligarchy which controls the upper strata of the Illuminati. The decision making Illuminati nerve centers of this effort are in the

London (especially the City of London), Basel Switzerland, and Brussels (NATO headquarters).

The United Nations, along with all the agencies working under the UN umbrella, such as the World Health Organization (WHO), are full time players in this scheme. Similarly, NATO is a military tool of the NWO.

The leaders of all major industrial countries like the United States, England, Germany, Italy, Australia, New Zealand, etc. (E.g. members of the "G7/G8") are active and fully cooperative participants in this conspiracy. In this century, the degree of control exerted by the Illuminati has advanced to the point that only certain hand-picked individuals, who are groomed and selected by the Illuminati are even eligible to become the prime minister or president of countries like England, Germany, or The United States. It didn't matter whether Bill Clinton or Bob Dole won the Presidency in 1996, the results would have been the same (except maybe for Zipper Gate). Both men are playing on the same team for the same ball club. Anyone who isn't a team player is taken out: i.e. President Kennedy, Ali Bhutto (Pakistan) and Aldo Moro (Italy). More recently, Admiral Borda and William Colby were also killed because they were either unwilling to go along with the conspiracy to destroy America, weren't cooperating in some capacity, or were attempting to expose/ thwart the Takeover agenda.

Most of the major wars, political upheavals, and economic depression/recessions of the past 100 years (and earlier) were carefully planned and instigated by the machinations of these elites. They include The Spanish-American War (1898), World War I and World War II; The Great Depression; the Bolshevik Revolution of 1917; the Rise of Nazi Germany; the Korean War; the Vietnam War; the 1989-91 "fall" of Soviet Communism, the 1991 Gulf War; and the recent War in Kosovo. Even the French Revolution was an orchestrated into existence by the Barvaian Illuminati and the House of Rothchild.

FEMA

In America, the Federal Emergency Management Administration (FEMA) was created in 1979 under Presidential Memorandum 32 authored for President Carter by Prof. Samuel P. Huntington, a Harvard professor and former FEMA Advisory Board chairman. Huntington wrote the Seminal Peace for the Trilateral Commission in the mid 70's, in which he criticized democracy and economic development as outdated ideas. As co-author of the book, Crisis in Democracy, Huntington wrote:

"We have come to recognize that there are potential desirable limits to economic growth. There are also potentially desirable limits to the indefinite extension of political democracy. A government which lacks authority will have little ability short of cataclysmic crisis to impose on its people the sacrifices which may be necessary."

Huntington's ideas were rewritten into National Security Decision Directive #47 (NSDD47), which was enacted in July 1982 by President Reagan. Treated as a passing footnote by the media, this law identified legitimate areas to be upgraded to maintain national defense, but it also laid the groundwork for Emergency Mobilization Preparedness, a plan under which existing socio/economic regulations or other legal constraints would be waived in the event of a national emergency. This plan was further strengthened in Public Law 101-647, signed by President Bush in November 1990. What it boils down to is this: in the event that the President declares a national emergency, for any reason (from major earthquakes to increased international tensions or

economic /financial crisis of any stripe), FEMA can then, at their discretion, implement Executive Orders 10995 through 11005. These Executive Orders permit a takeover by FEMA of local, state, and national governments and the suspension of constitutional guarantees. FEMA will have the authority to exert any sort of control that it deems necessary upon the American public. A trained National Police Force, formally referred to by the name of Multi Jurisdictional Task Force (MJTF), wearing black uniforms and composed of:

1. specially selected US military personnel
2. foreign military units carrying United Nations ID cards, and
3. specially trained existing police groups from larger metropolitan American cities.

These members of the MJTF will implement and enforce martial law under the direction and control of FEMA. The President and Congress are out of the loop.

FEMA is the Trojan Horse by which the New World Order will implement overt, police-state control over the American populace.

War on Drugs

The "War on Drugs" is a cruel joke. The US government, specifically the CIA, is the biggest 'drug lord' on the planet. Drug money is used to pay for innumerable 'black projects', including the construction of huge underground cities housing both humans and aliens working with the secret US government.

The instigation of a trumped-up war as a cover for amassing fortunes can be dated back to at least the 12th Century when only a core group of nine members of an Illuminati group called the Knights Templar, the military arm of an Illuminati secret society known as the Priory of Sion, kicked off the The Crusades that lasted for over a century and a half. A rift later developed between the Templars and the Priory of Sion when Jerusalem was lost to Saracen Turks in 1187. In 1307, the king of France, Philippe the Fair (a Merovingian Illuminati), coveted the wealth and was jealous of the Templars' power. The French king, being a puppet of the Priory of Sion, set out to arrest all the Templars in France on October 13. While many Templars were seized and tortured, including their Grand Master, Jacques de Molay, many other Templars (who had been tipped off) escaped. They eventually resurfaced in Portugal, in Malta (as the Knights of Malta) and later in Scotland as The Scottish Rites of Free Masonry.

The acquisition and consolidation of ever greater wealth, natural resources, total political power, and control over others are the motivating forces which drives the decisions of the Illuminati. The toll in human suffering and the loss of innocent lives are non issues for these individuals, who are aligned with very dark and malevolent 4th dimensional aliens. The dominant group of 4th dimensional malevolent aliens controlling and manipulating the human Illuminati are known as Draconians or Drakos Reptilians. Not all alien reptilians are of a negative spiritual orientation.

Mind Control

Recent revelations from deprogrammed Illuminati (government) mind controlled individuals such as Arizona Wilder (The Biggest Secret), Cisco Wheeler (The Illuminati Formula to Create an Undetectable Total Mind Control Slave), Cathy O'Brien (Trance Formation of America), and Brice Taylor (Thanks for the Memories) leave NO DOUBT that the upper levels of the Illuminati engage in Satanic rituals which usually include the killing of young children, the drinking of human blood

and the consuming of flesh and human organs.

I can prove this^^

The details of the Illuminati conspiracy are brilliantly laid out in the books of David Icke (Tales from the Time Loop, Children of the Matrix, Alice in Wonderland and the World Trade Center Disaster, The Biggest Secret, The Truth Shall Set You Free, and I am Me, I am Free; and in three books by Dr. John Coleman (Conspirators' Hierarchy: The Story of The Committee of 300; One World Order: Socialist Dictatorship; and Diplomacy by Deception

Just look at these fucking buildings, there is a reason they are shaped like a pyramid:

A tringle is compartmentilized just look at this triangle:

every cirle is below a circle until you have the very elite at the top who effect the bottom, this is todays scosity and todays buisnessess, but in truth we the people run the whole show, but that depends on how much bullshit your willing to take: example Goverment Income Tax, The Goverments failure to protect us form terrorist by leaving the borders wide open. Seriously people how can you fight a war on terrorism with all of your borders open!

MY FRIENDS I PROMISE YOU THAT WE LIVE A VERY COSMIC TIME. WHERE WHAT WE DO TODAY AFFECTS THE FUTURE TOMMOROW. TODAY IS TOMORROW!

I didn't even have to read the first sentence to know that this was probably a stupid conspiracy. However, I gave it a shot and decided to start reading it, anyways... then I read the first sentence. That alone was enough to make me respond to you with this...

SHUT THE FUCK UP, LUNATIC! JUST BECAUSE YOU BELIEVE IN CONSPIRACIES DOESN'T MEAN YOU'RE SOMEHOW MORE ENLIGHTENED THAN WE ARE. IT SIMPLY MEANS THAT YOU ARE MORE GULLIBLE THAN WE ARE.

How the fuck can people live like this? Thinking that everything is a conspiracy working against humanity? Yes, there are plenty of evil people who have this type of vision to destroy the world, but to come to the conclusion that several of the world's leaders is trying to create this unified (and fascist) government? What's even funnier is the notion that it's even possible to make everybody obey their agenda, even with "mind control".

It looks like thrash has been playing a bit too much Yuri's Revenge and has lost grasp on reality.

There is no plausible way to kill off 92% of the world's population besides by nuclear war, but it would kind of ruin the idea of controlling the entire world when only 10% of it capable of sustaining life.

Think for yourself, Illuminati. Don't copy/paste someone else's words. I know you did because 1) it's not in caps and 2) the spelling and grammar far surpasses yours, as does the logic (which is sad because it's still amazingly flawed).

Despite how much of it is true or not, you still have to be careful who or what you attribute it to.

Simply for the sake of argument, let's assume the following is true:

Quote:What most Americans believe to be "Public Opinion" is in reality carefully crafted and scripted propaganda designed to elicit a desired behavioral response from the public.

True, but is it because of some massindoctrination by a group of people who follow an unseen entity? Or is it the government trying to keep itself in power? Or is it because the majority of the people actually believe this, and all that occurs is something that self-sustains the belief?

Quote:The NWO global conspirators manifest their agenda through the skillful manipulation of human emotions, especially fear

True, but is it because of this entity, or is it simply an attempt at corporations to get people to purchase their products/governments in an attempt to keep (or get) themselves elected?

Just because things may seem a certain way, doesn't mean they are that ONE specific way.

After all, I've never seen the Illuminati, and I though believing in invisible pink unicorns was bad?

Simply for the sake of argument, let's assume the following is true:

Quote: What most Americans believe to be "Public Opinion" is in reality carefully crafted and scripted propaganda designed to elicit a desired behavioral response from the public.

True, but is it because of some massindoctrination by a group of people who follow an unseen entity? Or is it the government trying to keep itself in power? Or is it because the majority of the people actually believe this, and all that occurs is something that self-sustains the belief?

Quote: The NWO global conspirators manifest their agenda through the skillful manipulation of human emotions, especially fear

True, but is it because of this entity, or is it simply an attempt at corporations to get people to purchase their products/governments in an attempt to keep (or get) themselves elected?

Just because things may seem a certain way, doesn't mean they are that ONE specific way.

After all, I've never seen the Illuminati, and I though believing in invisible pink unicorns was bad?

Just like the Pentagon being hit by a missile, right? That has a lot of "evidence". Blazer could just be a part of the conspiracy, too.

What about how there was a second plane following the one that hit the Pentagon that they disappeared from media coverage? Blazer saw that. What other lies are we told?

It's all about being open to the possibilities. Believing there COULD be a conspiracy present isn't the same as acting on it.

How good can Blazer be as a witness?, I dont know him, so cant say I trust him as I would trust a friend I know in real life.

Just cause he "saw" something, doesnt make it what he saw, true, people have been seeing UFOs for 100s of years only to be told, that it was infact not a UFO it was some weird space thing or a new plane being tested, etc.

Also there are many other factors, the human brain when faced with something that it cant understand will interpret what the eye is seeing into something elas, making him believe he saw a plane hit building but infact, it was something elas.

What I totally love about this and that Pentagon is the worlds more secure heavy defended air of space in the world.. there is not CCTV film of the object hitting the Pentagon.and the fact there is a large number of people saying that people working for the US gov, on the same day, visited many places of work with CCTV coverage and had their tapes taken away, why?, these people make this shit up?, unlikely, if this is true, which is lacky it is, why did they take away the tapes?

Yes, planes did hit the WTC, we all saw that on tv live. , but none hitting the Pentagon.

I can say this, the official story about that day, is Bull Shit and for anyone to believe that story without any doubt about the story, whatever small or large, then you must be as brain washed as the germans was back in 1942 with the nazis.

Something happened on that day that we haven't been told about and not gonna be told about in

our life times and many more.

(will fix my spelling errors and other shit tomorrow, but its almost 7am and am too tired, lol)

Well, Blazer lived in a high rise apartment within a couple miles of the Pentagon. Now maybe he's never seen a UFO but he's certainly seen enough airplanes to recognize one flying too low.

Crimson wrote on Tue, 24 October 2006 00:34Well, Blazer lived in a high rise apartment within a couple miles of the Pentagon. Now maybe he's never seen a UFO but he's certainly seen enough airplanes to recognize one flying too low.

Thats true and I know this, he was in a good postion to see this, but his word is the same as a person who says a missile hit the building instead, reason? they cant prove what they saw, blaze has still pictures, but nothing more.. no one has any flim or picutres of the said plane I prefer to say object hitting the building in fight to prove what they saw.

There are many reports from people who worked in the WTC, that before the attack, that many work men was coming into the building and doing really odd work around it, workers would find alot of dust in places and on windows on doors, that could only happend if massiave building work was going on.. but when they looked, they saw no building work, also reports of the lat people leaving the WTC just moments before it fell, that they heard VERY loud bangs just sceonds before the towers fell, they reported that the bangs they heard was like bombs going off one after an other?

Should we believe them as you and others believe blazer?

Lets entertain the idea about these bangs they heard, what made them? right now.. I cant think of anything in a building that could make a bang that sounded like bombs going off ina rapid session like a controlled building demo, which leads me to think that unoffical story of that it was infact bombs going off to being the building down.

The fact I want people to accept about 911, is that there are too many holes and weird shit happend on that day and with them buildings for the offical stroy to be believd without any douths.

I believe any locgial reasonable person would agree on that last point alone.

I don't believe the "story" to be 100% accurate. I remember that day very clearly and I remember the conflicting stories on all the networks about what was going on. Also things that were mentioned and never brought up again.

But I am more inclined to believe someone who saw a plane rather than someone who has never been in or near a building that crumbled from the top down telling us what it should have looked or sounded like.

Here's the thing, you first go off on a tangent about how we'd be wearing tinfoil hats if we know

Conspiracies are so full of shit and so many holes that it's not even funny. Sure, you can find evidence upon evidence to prove your point, but you always ignore the most important thing: logic and reasoning. If you used it, you'd see through all of these conspiracies.
