You need to learn how to use emoticons, mate . The Internet is bad at expressing British humor.

It doesn't count until midnight on the day of, I'm afraid. In fact, I had fallen asleep before midnight and my brother and sister (observed by Blazer and my mom who is in town for it) came into my bedroom and banged pots and pans really loudly to wake me up. I was moderately unamused. Apparently the look on my face was pretty funny. Now to plot my revenge.

Blazer got me a blue iPod nano which I have been wanting for quite a while and my mom got me some stuff for my kitchen.

Selbstverständlich nicht.

Nah, just what I have of my notes from the six months of German I took before I had to move to the South. Southern schools don't teach German.

But this is off-topic...
