Quote:...using this mod with the retail version of renegade will cause it to crash...

Nope. Sorry.

Think about the name:

SSAOW = Server Side All Out War
SSCTF = Server Side Capture The Flag

etc etc.

Can anybody please give me a list of weapons that I can use for editing with SSAOW?

Example:

[DefaultEngL1]
01="CnC_POW_MineTimed_Player_01"
02="POW_Pistol_Player"
03="CnC_POW_MineRemote_02"
