Just login with a nick and password. If it isn't taken yet, it'll be registered to you. If it is taken, you'll get a blanc server list.

Just remember if you delete a nickname, you can never use nor register it again.

When you log on, a dialog box titled MOTD or Message Of The Day will appear. What does this say? Please take a ScreenShot and upload it here.

You can't delete if it's younger than 30 days after a pass reset.
