hey i was banned by a guy named opstorm@irc, saying i needed to change my name, but wouldnt give me a reason why. Personally i would like my name unbanned considering he was the only one in OVER 3 years to say something about it (i've had the name for 3 years and a while now). I just think he has a personal problem with me. So mods i'd like to appeal to you

You would have better luck posting in the server's forums and not here.
