hey i was banned by a guy named opstorm@irc, saying i needed to change my name, but wouldnt give me a reason why. Personally i would like my name unbanned considering he was the only one in OVER 3 years to say something about it (i've had the name for 3 years and a while now). I just think he has a personal problem with me. So mods i'd like to appeal to you

And this has what to do with a RenGuard network ban? I'm pretty confident you're not banned from the RenGuard network.

You need to check which server you got banned from and post on the forums of the server owner.

What was your nickname?

You were banned from a place called "unrules.com"...

Perhaps try www.unrules.com ?

He was asked to change his name in UNrules due to the sexual connotations of his name. then proceeded to post a little abuse about his ban.

Sorry all just passing through whilst looking for Timmy who was also banned.
