Well i have a Few model's of car's bike's and stuff there not mine they are free download's.

I still need help making them run in the game.

I will be making a few change's to them so they look cooler.

So plz help me with this i think they will make sweet model's in the game.

Also looking for a mapper to make a race car track.

Model's for the Track?

Or Model's of The Veh's?

I got a track gonna fix it up a bit than the mapper can finsh it.

Basicly im the Level Editor make the car's go fast etc.
