I'm having the same problem as in this post

<http://www.renegadeforums.com/index.php?t=msg&th=19865&start=0&rid=0> &SQ=&

same prob, but I still have the CD but I dont have the time to update again, how can I just install the WOL internet components without unistaling Renegade, thx

Please delet this thread, forgot how to search when I made it

Insert your ren disk, and check the box that says "Westwood Online Internet Components" and untick the one that installs the game.
