I just have to say now that i found my way herethis is cool and what a great job you all have done on this. I have to admit this has made my day and put a smile on my face that Ren and the forums will keep going.

I will have blkwasp register later on when he gets home. You can delete this but, I didn't know where to put it. Good to see some familiar names and uhhh.....i like the signatures!!!

well, ya, but maybe I should have put " The Show Must Go On" - Queen in my signature.

Poetry Palace.....hmmm. Well did anybody save the old stuff? If Crimson and Blazer say yeah to another Ren Poetry Palace then sure. Get it started!

We did manage to salvage the posts from the old forums. But feel free to revive the Palace. We have almost no restrictions on subject matter.
