<http://www.collegehumor.com/video:1728017/context/popular> EPIC MS PAINT!

That is all.

Every time I reveal a message from you I end up regretting it.

Okay, enough with the quote spamming.

I liked the video, but that isn't the only impressive piece of art I've seen from MS paint.

I liked the video, but that isn't the only impressive piece of art I've seen from MS paint. I'd say quote spam is going to unreasonable lengths and page-stretching quoting. I'd say we still have another half-page before it'd start to get unreasonable. MY opinion, though.
