Renegadecommunity.com had an interview with Renegade senior (though only 15 years old) Nightma12 today!

Here's an excerpt:

yes, Renegade Is still alive. contrary to popular belief i actually think danpaul is doing a pretty good job i BR 1.43/1.5 alot of people seem to think its a war as seen in a few forum topics in the last few days. Im also working on a project called ScriptsSE with the creator of Sbot that should change the way bots work completely if i can get it working correctly.
