Hi,

I've come to inform you of the huge development update of Apocalypse Rising, THE Total Conversion mod for Renegade!

Our team members have been working hard over the holidays, and we've got some nice presents for you.

First up: The Apocalypse Tank

Model: Skierarc  
Skin: Soviet\_Deso

Next up is: The Allied War Factory (WIP)

Model: Sloth, Ric  
Textures: Sloth

We've got some ingame shots too.

And finally: The Colt 45

Model and Unwrap: Ric  
Skin: AxelSnog

Come visit our new home too, [www.ar.cnc-source.com](http://www.ar.cnc-source.com) and our forums page here.

Thanks for your time and hope to see you around,

The Merovingian

Red Alert 2: Apocalypse Rising Team Member

Very nice updates! I really have loved Apocalypse Rising for a while now. I wonder when a character model like Tanya will be released, I hope it'll look good but anyways, I love the new

updates, keep up the good work!

Everything's nice, but I think the wood on the colt needs some work.
