Is there a brenbot out that works with SSAOW as well as core patch 2? If someone can point me in the right direction I'd really appreciate it... searching came up with too many tangents that don't seem to be getting me anywhere.

I don't think anyone would want to give you guys at LAGRULES.COM or UNSUCKS.COM (the clan) the newest bot.

Wrong (lex luthor style)!

Thanks AmunRa
