[BHE] or known as Black Hand Elite has just been formed a couple weeks ago and already have 8 active members. Myself and [BHE]fir3_blaz3 are the leaders of this clan and proud to be. At the moment we are working on getting a server and a website which will all be up by the 10th on January.

Currently we are looking for another clan to ally per say with us and have weekly/biweekly/daily practices or funwars. Everyone in [BHE] are skilled and fun to play with so just drop by our forums at www.tsugaming.com/clans/bhe/forums or post here

ROFL, all of your members were common players in my serv who asked for a tryout but were denied by me for being OBVIOUS n00bs, so they made their own clan, ROFL. 3vs1? city flying?

What's the point of asking for a 3v1? It's basically a win-win situation.... if you win you'll think you're a god, if you lose it doesn't really count as a loss...

Im just laughing at him because even with big bodies he sucks, and claims his clan is decent so like 3vs1? And even if i would lose (which i wouldnt) 3vs1 is a HUGE advantage obviously, so still dodging, thats just pure and simple sad..

[BHE] don't listen to immature assholes like trooprm02. He is apparently a immature bastard, who just can't wait till he proves anyone who can own him is a hacker. Shut the fuck up trooprm02, you are immature, you are obviously a stupid idiot who has no respect for people who own you. So, they made their own clan, what the fuck is the big deal? You made your own clan, probably cause you were denied of a bigger clan thats yours. He is in the same shoes that you were in, and you cannot take that. And he can possibly be bigger then yours. Atleast he has respect for other players, thats why his clan has already 6 more people then your clan does. Go fuck yourself.

[BHE] I have respect for you, your trying your best to facilitate your clan, and you have every right to do that. Go for it, and you will reach the limit.

Hey sergent, thanks for supporting us. Your a cool guy, me you and killer always had positive attitudes with everyone, we're cool with everyone, but 02's hating on everyone calling them n00bs, and won't take the fact that he's doing so. f100d3d was severely humiliated by TRPM's actions. But we wont do that. We're always positive toward the Renegade community. Thanks for your support, we really appreciate it. At least you have a positive attitude. Wish some more people were like you

Lol I live near you. Where is queens village? How far is it from forest hills?

And no problem on the support.

I am just severly pissed off at the fact that trooprm02 is attacking you and your clan. A kid of his age & immaturity does not deserve a shot at a clan if he thinks dissing them is "1337 pwn0ring them" He has the balls to talk shit, but doesn't have the balls to go against me in a 1v1 on xbox live.

He simply cannot take that he was once you, denied from a big clan, and started a clan of his own, that was unsucessfull, and it worked irrelevant to how a clan should be like.

fl00d3d, on the other hand, he is also very respectful, and takes the right decisions. He has taught me how I am today. And he made the right decision to kicking out trooprm clan before they humiliate their sucessful community even more.

[BHE] will be a sucessfull clan, I can see it that you try to facilitate your clan. I suggest that fl00d3d looks into your clan, sees the good and sees the potential you have stored in, and he will probably invite you to be sponsered by his community. He will lead you in the right direction if you don't know how to or if you would like some assistance. Don't forget, you can ask me shit too, I ran RenCorner.net a while back, but it had some convicted cheaters I was informed of but that I didn't believe of, and therefore it was shutdown. jd123123 also tried fucking Goku's server. (Now banned from allot of places)

Where is the hard evidence? Huh? Give me 8394839580345934 links or atleast 20 about me. That directly accuses me of something.

And, sm0ke, hes a fucktard, why bring him up here? You obviously have no talent of flaming, comparing me to other fucktards like yourself.
