Not to be an ass, but...

What makes you think that is special? The game has been out for nearly 5 years... I am going to go on a limb and say that getting "1337" hasn't just happened a handful of times.

If your score was 31337, THEN it would be something special.

or if it was u93121337

(can't think of a way of representing U with a number >.<)

Ohnistly, that made no sence at all,

u93erleet?

Oh, you're right, I thought this game was released in 2003 for whatever reason.
