Recently I had to get a new hard drive, so I need to get my anti spyware and what not back.
Already got avast back. Does anyone know the websites for Spybot, Spyware blaster, and
Ad-Aware?

Well, there could be advanced software that costs £££ ($$$) and you could get for free.

www.google.com

Search
-ZoneAlarm Free (Kick-Ass Free Firewall)
- Spybot
- Ad-Aware
- NoAdware (-link to warez site removed by moderator-)
- CCLeaner (Deleted unnecessary logs, makes computer run faster)

This is a warez-free forum. Please leave warez out of this.

Why do you want to get three anti-spyware programs? You don't need that many.

Well I like to use Spy bot to block spyware and Ad-Aware to scan. Can do without Blaster.
