Hello, i use the BrenBot 1.50 Linux Version.
in the ssaow.ini i have enable the vehicle wreckages but there are not coming in the game.
Any idea?

I think wreckages doesnt work correct on SSAOW ported scripts 2.9.2.

You can see wreck but cannot repair it.

Next on this ported scripts doesnt work correct Sniper mode. You can buy anything but Host write
you this is sniper server. But can buy any soldiers.

i cant see the wreckages, too.
which version of ssaow works with wreckages?

I've never heard of that not working on the LFDS, did you copy the always.dbs and objects.ddb files into your data folder?

Subject: Re: Vehicle Wreckages doesnt work
Posted by Buggy on Wed, 31 Jan 2007 12:32:56 GMT

there were two files: Always.dbs and always.dbs
Now i delet Always.dbs so the new version is isntalled but NOW i cant join the game, he say "Spielrunde beitreten" but it doesnt work. I have to wait ... no function
