This is all I saw and every now and then it would look normal. I couldn't do shit I even managed to kill myself and respawn and it did the same thing!

What is goin on? It happned when I was massing meds than I got into a med I just bought and the screen with to what looked like blue hell than I was back in my base and the tank was gone than the screen looked like that!?

That's black hell.

Don't know the difference because i just think it's when the sky around you is dark (nighttime).

bornininsodom: woah hes gone but he isnt?

That is a damn cool quote.
