We're still trying to get to the green zone...We're new...We only exist since last week. Give us the time to build up a good forum and a fully functional website.

If you say one more thing like this, you'll get an instant ban on my forum, even before you join it! I guess u can't even make a website and forum. Ur just to pathetic to appreciate someone elses work.

And btw:  
I'd own u even harder without cheats, n00b.

OK well you, your clan and your site is shit - you have virtually no posts and a total of 8 members. I have setup and ran forums before and they have all been better than yours, ie: used.

Feel free to ban me now, oh wait you can't because you don't even have my ip.

And if you think you own me, play me - just add me on msn: themexicanpirate@yahoo.com and no didge pls.

Cheating makes you more pathetic than me, end of.

The cheating was to test the effects you fricking n00b. I guess you haven't read the earlier posts...And btw, like it said: We exist since 1 week!!! How would you try to get 1200 members in 1

week?

I think not, because people didn't even see I was cheating. Even the moderators couldn't notice. After the game we asked them: Was someone cheating?

Answer: Not that I noticed, the game was completely normal.(-\_-)

That's the reason for the video...

the mods must of been blind not to see you get "boinks" every second you are in their base.

Two, actually. Plus a crapload of people who were using bigheads and/or bignukes. Also won a sniper game vs someone with bighead, that's just... wrong
