Does anyone have a valid FDS serial I can use on XWIS and also beaconpedistal.com is down where can i get the WOLSPY? If someone has a link or can email me either please email tehkaao@gmail.com

Thanks Alot

Replace the serial in server.ini with your renegade client serial (the serial you use to install your renegade).

For wolspy, someone will need to upload it.

For WOLSpy, <http://www.renegadeforums.com/index.php?t=msg&th=21499&start=0&rid=2> 1684
, Gotta love Gozy.
