Um, nothing much too see. The only thing thats somewhat interesting is the typical big aow stuff (7 apc rush etc). And you made some pretty dumb moves. Althought, I do have to hand it to you for having no advantage skins, this is rare to find now-a-days

Good movie however you need to play at a higher resolution. Playing at 800*600 (Which makes everything bigger) is really cheap. Thats just my option anyways. Good collection nonetheless.
